

Client: Health Education East of England

Project: Professional Support and Well-being Service animation

Training to become a doctor or dentist is a difficult process that can involve many personal and professional challenges along the way. This animation was developed to appeal to trainees and to explain how to access support from the Professional Support and Well-being Service.

Clinical Skills Assessment THIS WAY

NO MOBILE PHONES!

NO BAGS!

NO NOTES!

"We are so pleased with the animation and we are receiving really positive feedback about it so a massive thank you for all your hard work in putting this together for us."

Katie Bradshaw, PSW Manager
